

Post Training Release

SAKSHAM, a Microsoft initiative, aligning with MHRD's NMEICT ([National Mission on Education through ICT](#)) objectives was organized at Vikram University, Ujjain, Madhya Pradesh from 16/01/2012 to 25/01/2012.

25 participants from Institute of Computer Science, Management, Faculty of Arts, University Administration, Central Library Staff, Faculty of Science, University Computer Centre, Faculty of Commerce etc who attended the training have been promoted as Master Trainers. As Master Trainers, these educators will take on mentoring roles and spread the use of ICT in Education by reaching out to colleagues and students.

The 10 day journey comprised of IT and Soft Skills training sessions, which were designed to be riveting and invigorating. A blend of theory, hands on and experiential learning, interspersed with role plays, micro labs, group discussions, motivational team building & leadership enhancing games and activities enthused and kept the educators engaged as they learnt how to integrate technology into education and how to be effective mentors. These mentors will help create and maintain the momentum of change in teaching learning in higher education.

The **SAKSHAM** Portal www.saksham-ms.in, is an online resource which allows the above **SAKSHAM** champions to access content, form communities, build content repositories, leverage knowledge and actively share ideas and projects. Champions also have the facility to create their own training batches on Saksham portal and thus extend the online community of new ICT champions. **Microsoft plans to recognize those ICT champions who successfully reach out and mentor other educators and students.**

Microsoft welcomes the educators from Vikram University, Ujjain, Madhya Pradesh into its fold and the **SAKSHAM** fraternity, which represents an empowered, criticalmass of dedicated experts in every field, working in a networked manner to bridge the digital divide and accomplish **MHRD's NME-ICT** vision.
