

## Pre Training Announcement

### Do you want to be the next ICT Champion in your institution!!

Vikram University, Ujjain, Madhya Pradesh in association with Microsoft is organizing **SAKSHAM** training from 16/01/2012 to 25/01/2012. *The 10-day SAKSHAM* training is a Microsoft initiative to give impetus to the [National Mission of Education through ICT\(NMEICT\)](#) of **MHRD** with a common objective to building connectivity and knowledge network among and within institutions of higher learning in the country.

Under this Mission, a proper balance between content creation, research in critical areas relating to imparting of education and connectivity, for integrating our knowledge with the advancements in other countries, is to be attempted.

**SAKSHAM** will enable teachers to navigate through new technologies and hone the skills required to be an effective mentor and ICT Champion. The program supports the special initiative to train and enable college lecturers and professors in India to use ICT in their day-to-day academic and administrative work and to give impetus to the use of ICT in collaboration and research.
